East Junior High Building Viewed With Mixed Emotions

By Sue Aucella Deacon

Does East Junior High School have a future? The answer is yes, according to the town manager and some selectmen — and probably not, according to some members of the school building committee and other selectmen.

In the end, it will almost certainly fall to town meeting voters to find the answer.

Last year, town meeting voted to spend \$56,000 to study possible reuses of the school; this year, town meeting will be asked to appropriate \$100,000 to help heat it in the future. But the fate of EJH is still uncertain, and the long shadow of Proposition 2½ has now fallen over the issue, casting even more doubt on the future of the building.

The school building committee struggled long and hard to find a way to incorporate Memorial Auditorium, the central portion of the aging junior high school, into the \$11.72 million school building program funded by town meeting last year. Plans call for the central wing, containing a gymnasium as well as the auditorium, to be renovated, made accessible to the handicapped, and used as part of Doherty when that school is converted into a junior high school.

Including the auditorium wing in their building plans was more than a bow to sentiment on the part of the building committee. Most committee members believed their building program could not win town meeting approval if they recommended abandoning Memorial Auditorium, built as a memorial to the town's war dead.

"In the hearts of the people, Memorial Auditorium is very meaningful," School Committeeman Joseph Finn told the building committee on the night the committee voted unanimously to save the auditorium. "To say, okay, let's build a new building and just walk away from the old would be a foolish move."

But with the auditorium safely included in the building program, the building committee feels it has fulfilled its responsibility to the town's past, and can indeed walk away from the remaining two wings of the building they call "Old Crumbly."

It is now up to town meeting to decide whether the wings should be saved, Committee Chairman Kenneth Gropper noted during a recent committee meeting. "That is not this committee's responsibility. And if town meeting votes not to save it, it won't upset me one iota," he added.

Town Manager Jared S.A. Clark sees the soon-to-be vacant wings in a different and far more promising light. He envisions all town and school department offices housed in the two wings, a move that would serve several purposes.

Town offices are currently scattered among town hall, the theatre building on Essex Street, and the water treatment plant, where Public Works offices are housed. School offices, now located in the Stowe and Jackson schools, will soon be without permanent quarters when those schools are torn down to make way for new construction at Doherty. The school offices will be temporarily located in Draper Hall at Phillips Academy.

By centralizing all offices at East Junior High, the town could avoid having to bring all the buildings now housing town offices up to state building codes, and making them accessible to the handicapped, the manager has pointed out. A report submitted by former Building Inspector William Meins several months ago showed that most town buildings are in need of costly repairs and additions.

The move would also free the theatre building for use by Memorial Hall Library, free town hall for sale to a private developer who could afford to preserve that building, and bring new life to the downtown area, Clark has indicated.

But he recently observed that Proposition 2½ may put those plans "on the chopping block." With funds for existing departments and programs severely limited by the cap on property taxes, there is little hope that money could be found for the major renovations that would be required to make Clark's plan for EJH work.

Still, 1980 town meeting did vote to fund a \$56,000 study of possible reuses for the building; both the selectmen and finance

School Closing Forecast Has Little Initial Reaction

By Linda S. Corbett

The possible shut down of another elementary school here seems to have been met with general resignation in light of Prop. 2½.

School Chairman Elaine Viehmann said this week she had not received any public phone calls since the committee directed Supt. Kenneth R. Seifert to look into the possibility of closing another school.

She said she had run into a couple of people at church who brought up the closing question, but "everyone just assumed it was going to happen."

June Blake, PTO president at South School (along with Shawsheen, tagged most likely to be closed), said she hasn't gotten any feedback from parents either, but that often "no one does anything until it's happening."

She said parents turned out in force last year to protest the South site for a new junior high because they felt it wasn't the best location for such a school.

She said she is very attached to South, but that if the school committee decides to close a school, she wouldn't be surprised if it were that one.

She said she only hopes that the committee does "what's best for the town under Prop. 2½," and that she would rather see them close a school and keep the teachers.

She said she feels education is "the most important thing I can give my children other than religion."

Nancy Jones, who was president of the Doherty PTO when they worked so hard last year to preserve their elementary

school, said this week that having been so emotionally involved at Doherty, she could sympathize with any parents who might go through a school closing this year. "I'm sorry for the emotional upheaval," she said. "It's very draining."

While she said she couldn't comment on redistricting until a new plan is presented, Jones expressed concern about the

Only School Board Race Attracts Candidates

Two candidates seeking the one three-year term on the school committee represent the only contest in the annual town election on Monday, March 23.

At the 5 p.m. Tuesday deadline for filing nomination papers, Michael R. Giammusso of 68 Summer St., and Edward I. Kaufman of Myles Circle, signified intent to vie for the school committee post being vacated by Elaine Viehmann.

Donn B. Byrne, chairman of the Finance Committee seems assured of elevation to membership on the board of selectmen, since he is the only candidate. One other

person had taken out papers, but failed to file by the Tuesday deadline. The single seat on the board is being vacated by Chairman James Abramson.

Giammusso is an electrical engineer employed at Bell Labs. Kaufman, who ran unsuccessfully for school committee a year ago, is a teacher in Woburn.

Uncontested in their bids for re-election are Moderator James D. Doherty seeking another one year term and Thomas P. Eldred who has served a number of years on the Andover Housing Authority who asks a return to another five-year term.

The candidate interest represents the lightest in many years. In past years there have been contests in at least the selectman and school committee races.

Philharmonic To Perform March 1

The Merrimack Valley Philharmonic Orchestra continues its present concert series Sunday afternoon, March 1, at 3:30 in Andover West Junior High School Auditorium.

The theme of the program will be "How the Orchestra Grew" as Nicholas Van Slyck, music director and conductor, expounds from the podium upon the development of the symphony orchestra from its early beginnings to its ultimate make-up. The program will be appropriate for the younger element, but will illustrate that the finest music is for all ages.

The opening work will be Concerto Grosso, Opus 3, No. 8, by the early Italian master, Antonio Vivaldi. Domenic Teoli, concertmaster, and Marjorie Nelson, assistant concertmaster, will execute the double violin obbligato parts.

Antonin Dvorak's colorful Czech Suite, Opus 39, continues the program.

Following intermission, the Philharmonic will conclude the concert with Franz Schubert's Symphony No. 4, the "Tragic."

Future events by the Philharmonic will be a "Popular favorites" concert on April 12, featuring the well-known duo pianists,

Kelley and Tanguay, and a final "Philharmonic Festival" concert on May 17, which will celebrate the Philharmonic's 20th anniversary as the region's own symphony orchestra with an after-the-concert reception.

Tickets for all of these concerts in the remainder of the Philharmonic's current season will be available at the door.

Recycling Auction Date Set

On one of those almost spring days recently, Andover Recycling began to plan for the annual clean-up auction and re-use sale. The date has been set for May 2, the Saturday before clean-up week. Now you can bring to us for sale all those things you don't want any more but are "too good" to throw away. The committee is interested in, and can sell - furniture, toys, bikes, small appliances in working order, sports

equipment, flea market items such as dishes and knick-knacks. Clothes or books or heavy appliances are not accepted.

Please save for the auction and watch this space for times and place to deliver. However, if you are moving and can't wait until April, call 475-2151, 475-5864 or any number on your recycling card for pick-up information.

Auditions For Dance Co. Scheduled

The third and last of the 1981 winter auditions for the Merrimack Valley Dance Collaborative, Inc. non-profit tax-exempt educational corporation, will be held Monday March 2, at the Dance Collaborative Headquarters, 477 Essex St., Lawrence, Ma at 7:30 p.m.

The group needs dancers, male and female ages 10 through adult who are interested in elevating their level of dance and enjoy performing.

Dancers are asked to come to the audition with a picture and resume of themselves.

The Dance Collaborative, Inc. needs men 14 and up. Any male who is interested in dance and performing is asked to attend whether or not he has had dance training.

The first performance of the Dance Collaborative will be on Saturday March 21, at the Sheraton Rolling Green Motor Hotel, Andover, Ma. This is the first of the dance collaboratives fund raising activities with dinner dance and floor show.

Harold Gillman of Andover is president.

A new Veterans Administration publication, "Veterans Benefits for Older Americans," is available free through VA regional offices and veterans service organizations.

Mrs. Andrew Landry of Pelham, N.H. is treasurer and Mrs. Joyce Gardiner of Chelmsford is director of public relations.

No Requests For Water Assist Yet

Andover has been unaffected by the dry weather of the past few months—weather that has left some New England communities with perilously low water supplies—and one neighboring town has already turned to the town for help.

The town has been supplying North Reading with water on an emergency basis throughout the winter, Director of Public Works Robert McQuade reported Tuesday.

But so far, no requests for aid have come in from other surrounding towns having water problems, he said. Both Tewksbury and Wilmington have declared water emergencies, while North Andover is asking its residents to conserve water.

In the past, Andover has supplied water to Tewksbury and to Lawrence, McQuade said.

He explained that Lawrence needed help because of a mechanical failure in its water system, and not because of a supply shortage.

Requests for emergency water supplies must be approved by the board of selectmen, the director said, adding that the board "usually votes to furnish the water" to the community needing aid.

With precipitation this year estimated at 15 to 20 percent lower than what is normal for New England, some communities are having a hard time meeting their water needs. But most towns are in little danger of running out of water: State sources report that a good snowfall with a slow melt along with spring rains should bring water levels up to acceptable levels in these communities.

Budgets, Townhouses On Agenda

Budgets and townhouses, two recurring themes of the winter season, will be among the topics for discussion by the selectmen Monday night, during a regular meeting at town hall at 7:30 p.m.

Joan Pearson, director of the Community Services department, will appear before the board to discuss her department's budget for fiscal year 1982. She will be the third department head to meet with the selectmen in recent weeks: The

board has already taken a close-up look at the police department and public works budgets.

Members of the Planning Board are also scheduled to meet with the selectmen, to discuss the two boards' priorities for a multi-family amendment to the zoning bylaw. The planners are currently laboring over the proposed bylaw amendment, to be presented to voters at the annual town meeting.

Survey Response Is Good

Community response to the land use survey recently mailed to townspeople as part of Community Services' spring/summer booklet has been "very good" to date, Director of Community Development and Planning Rhys Kear reported Tuesday.

Early this week, more than 500 residents had returned the survey, but Kear said he expected to receive "at least twice that" response by the end of this week.

Postcards reminding residents to return the questionnaire were mailed last Friday to 25 percent of households in town, chosen at random. Kear said those reminders will probably have "a dramatic effect" on the number of questionnaires returned to his department.

The land use survey was first distributed to townspeople six years ago; the latest mailing has been updated, with a new section on multiple-family housing added. Town officials hope the questionnaire will show them how residents' attitudes toward land use may have changed in recent years, as well as give them a clearer understanding of current attitudes toward multi-family housing in Andover.

The "very good response rate" will help make the results of the survey, to be tabulated by computer at Merrimack College, "statistically strong," Kear pointed out.

Federal Period Is Topic

Tonight at 8 p.m. Grace Desjardin will speak to members of the Andover Historical Society and their guests on the decorative arts of the Federal Period.

Grace Desjardin lives in Sudbury in an 18th century house she and her husband restored. Both are collectors and connoisseurs of period furniture, accessories and jewelry. Her expertise in these subjects as well as period flower arranging has led to a career on television, where she often appears on the Good Morning

Show on Channel 5.

Joining the historians will be Claus Dengler of the Andover Village Improvement Society and Mrs. Juliet Mofford author of the book 'AVIS: A History In Conservation.' She will autograph books during the social hour.

Appointed At Museum

Marvin Peck of Andover, has been appointed Bookkeeper and Myron Stachiw of Providence, R.I. has been appointed adjunct assistant curator at the Merrimack Valley Textile Museum, North Andover.

Peck was formerly employed by banks in Bridgeport, Conn., Lawrence, and Boston. Stachiw is a graduate student at Boston University where he holds a National Endowment for the Arts Fellowship.

possibility of the former Doherty pupils being moved again.

"Somewhere along the line," she said, she'd gotten it in her mind that the school committee said it wouldn't redistrict those youngsters again for at least two years.

"I can't state it as a fact," she said. "Maybe it was just wishful thinking."

Over at Bancroft, one of the schools that took in many of the Doherty pupils, PTO President Tina Girdwood said she was glad to know the school committee is exploring all the possibilities.

While Bancroft hasn't been mentioned for closing, she said she was concerned about the possible redistricting bringing more youngsters from their schools.

"I can't imagine them giving us greater numbers than what we've got," she said, and added that it was her understanding that they were already above capacity.

Viehmenn noted this week that every school will be affected if one is closed. She said that from her own figuring with enrollments, not only is a closing feasible, but a school larger than Shawsheen might well be called for.

The fact that the town still owes for renovations made at Shawsheen a few years ago isn't a major factor in the decision, she said. She said the town could sell the building and pay off the loan with the proceeds, or keep it for school administration offices and continue to share in the loan payments with the state.

Even though the administration is scheduled to move into Phillips Academy's Draper Hall this summer, Viehmenn said she doesn't feel that reneging the arrangement would be a problem with P.A. She said the academy has already told them their time there would

be limited; in another two years or so, she said, Draper may be sold or converted to other uses by the academy.

South and Sanborn are the most "salable" of the school buildings, Viehmenn went on, because they are of "office quality." She said there are "all sorts of things that could happen in them," while "up and down buildings are more difficult to convert."

South is clear financially, she said, and is in need of renovation: two points on the side of selling it. Sanborn, on the other hand, is "an excellent school and in very good shape," she said.

A school closing would still mean a cut-back in personnel, and Viehmenn added that there is "no doubt" but what they'll have to cut administrators, secretaries and custodians as well as teachers.

The retirement of High School Principal Philip Wormwood reduces the administrative ranks already, and Viehmenn said she doesn't see how, with drastic cuts being made elsewhere, the system can continue to support a building program coordinator. Former East Jr. High Principal Richard McGrail now fills that slot.

She said she feels Supt. Kenneth R. Seifert is doing a "drastic rethinking" about the administrative functions and the need to keep one administrator in each building all day long.

She said Seifert has already instituted

something of a management team concept by assigning each principal system-wide areas of concern such as transportation, home-school communications and the like.

When Doherty was closed last year, Viehmenn said, they kept the specialists, while this year she envisions some "contraction" in the special areas. What they might lose, she said, would be some art and music rooms.

She said Seifert is to come back with recommendations on a school closing at the March 17 meeting, and the committee will give it "heavy consideration" at that time. They will not, she said, make a decision until a subsequent meeting.

Just for paying one of your bills by phone. That's how convinced we are that you'll find Pay by Phone easier, faster and safer than paying your bills any other way.

In addition, you'll save the cost of a postage stamp on each bill you'd normally pay by mail. Plus all that time you don't have to spend writing and mailing checks. What's more you can pay one bill or many with the same phone call. And that call is toll-free.

It's easy to keep track of bills, too. Each month we'll list all the bills you've paid by phone on your regular checking account statement. Your receipt for each call includes the amounts and names of the merchants paid. It's such a simple, foolproof system, it's no wonder thousands of people in Massachusetts use Pay by Phone to pay their monthly bills. Now we'd like to pay you something to join them.

How to get your 10 bills.

It couldn't be easier. Just list at least six merchants (department stores, utilities, credit cards, doctors, etc.) whom you pay regularly on the coupon. Then bring it to any of our offices and open a checking account. If you already have a checking account, just tell us to add Pay by Phone service to it. As soon as you

Pay your first bill by phone, we'll automatically deposit \$10 to your account.*

Sound like a good idea? Then start listing those merchants now. After all, you've got to pay those bills anyway. So why not start paying them by phone and start out \$10 ahead.

Yes, I'd like to see how easy it is to pay my bills by phone. I have listed at least six merchants I'd like to be able to pay. I understand that I need pay only one merchant to qualify for a \$10 deposit to my account.

Theatre Trip Planned

A Department of Community Services theatre tour will travel to Lowell's Merrimack Regional Theatre on Thursday, March 19, to see "Snow Children" by Bill C. Davis. The New York Times heralded Davis's arrival by saying "There are few more invigorating theatrical experiences than hearing the voice of a gifted new writer for the first time."

Mark Kaufman, artistic director of the Merrimack Regional Theatre, announced

that "Snow Children" (originally titled "Gentle Catapults"), Bill C. Davis's first play since "Mass Appeal," will be presented by the two year old professional theatre. The premier of "Snow Children" replaces MRT's previously announced production of the "Shadow Box" on the season's schedule.

"Snow Children" revolves around the lives of three retired men and a nurse who cares for them. With humor and love, Davis creates characters who find the

need to build a family for themselves as they discover the ties to their own families fading away.

Registrations are being accepted at the

Department of Community Services office, Doherty School on Bartlet Street. Fee includes transportation. Registration deadline is March 5.

For Those Of Us Who Are Older

By Janet D. Lake

Tentative date for a trip to the Boston Flower Show (Bet you didn't realize spring is that close!) is Tuesday, March 18. Price, place for lunch and other details will be released shortly. Watch for them!

There are still some openings in some of the classes, in case you are interested but have not yet enrolled. Do not plan on just showing up the first day of class for you may find it already full or cancelled. If not enough sign up for a course in advance, it will be cancelled. So delay no longer!

Working Women Film Topic

"Why Don't You Find a Rich Guy and Marry Him," an enlightening and funny play describes the history of working women, taking the audience through the sweaty mills of the early 1900's to the setting of the modern working woman.

The play enjoyed a very successful run in Boston this past summer receiving excellent reviews in area newspapers.

Co-sponsored by the Merrimack Valley Clamshell Alliance and the Office of Campus Ministry, it will run Saturday, Feb. 21 at 2 p.m. and 8 p.m. Senior citizens will be admitted for half price to the evening performance. It will be in the Church Auditorium at Merrimack College on Rte. 114 in North Andover. There will be information tables set up by several women's groups including N.O.W. and the League of Women Voters. Tickets may be purchased from the Clamshell Alliance, Earth Food Store, Park Street, Andover and the Office of Campus Ministry, Merrimack College. There will also be tickets available at the door.

Art Exhibit

An exhibit by students of Monserrat School of Visual Art in Beverly is on display in the Salem State College Library through Feb. 27. The artwork represents a variety of styles and approaches in various mediums.

We Will Give You \$10⁰⁰ To Pay Your Bills By Phone

That's right, \$10.

Just for paying one of your bills by phone.

That's how convinced we are that you'll find Pay by Phone easier, faster and safer than paying your bills any other way.

In addition, you'll save the cost of a postage stamp on each bill you'd normally pay by mail. Plus all that time you don't have to spend writing and mailing checks.

What's more you can pay one bill or many with the same phone call. And that call is toll-free.

It's easy to keep track of bills, too. Each month we'll list all the bills you've paid by phone on your regular checking account statement. Your receipt for each call includes the amounts and names of the merchants paid.

It's such a simple, foolproof system, it's no wonder thousands of people in Massachusetts use Pay by Phone to pay their monthly bills.

Now we'd like to pay you something to join them.

How to get your \$10

It couldn't be easier.

Just list at least six merchants (department stores, utilities, credit cards, doctors, etc.) whom you pay regularly on the coupon at right.

Then bring it to any of our offices and open a checking account. If you already have a checking account, just tell us to add Pay by Phone service to it.

As soon as you pay your first bill by phone, we'll automatically deposit \$10 to your account.

Sound like a good deal? Then start listing those merchants now. After all you've got to pay your bills anyway. So why not start paying them by phone and start out \$10 ahead?

Yes, I'd like to see how easy it is to pay my bills by phone. I have listed at least six merchants I'd like to be able to pay. I understand that I need to pay only one merchant to qualify for a \$10.00 deposit to my account.

To Be Honored At Reception

Milton Issenberg

Milton Issenberg of Andover will be honored at a Lawrence-Andover community reception in behalf of State of Israel Bonds, Thursday evening, March 12, at the Andover home of Mr. and Mrs. Daniel Issenberg, it was announced this week by co-chairmen Harold Landy and Sidney Swartz.

Commenting on the significance of the tribute, the co-chairmen said, "We are

pleased to have this opportunity to give public recognition to Milton Issenberg for his long and devoted service to our community and to the Jewish people, here and in Israel. We are certain that his many friends throughout this area will participate enthusiastically in the testimonial to him by attending the reception and by providing economic support for Israel's development by purchasing Israel Bonds in Milton's honor."

Landy and Swartz, who head the 1981 Israel Bond campaign in Lawrence and Andover, stressed the importance of this year's drive which must produce increased investment funds to bolster Israel's ongoing development and to help finance additional projects in Israel mandated by the terms of the treaty with Egypt. A major priority is the development of the Negev which must be made habitable and economically viable for the thousands who will relocate there from the Sinai. All this is possible, but only with the help of Israel Bond dollars, they said. "The Lawrence-Andover Israel Bond program has long been an integral part of the worldwide campaign to produce seed capital for Israel's economic growth. We look to the citizens of our community in the 30th anniversary year of the Bond program to sustain their involvement and support to help the people of Israel build for a lasting and meaningful peace."

Milton Issenberg has served over the years in numerous important leadership roles in the community. He has served as

president of the Lawrence Jewish Community Center, as chairman of the Lawrence Combined Jewish Appeal campaign, chairman of the Greater Lawrence United Fund Push Division, and was chairman of the dance at Congregation Tifereth Anshai Sfard for five years.

A managing partner of Consolidated Brokers, he is past president of the New England Food Processors Association and former member of the board of directors of the National Preservers Association. In 1967, Issenberg was honored as Massachusetts Business Man of the Year.

WESTern Roundup

By Mary Driscoll, Kathy Mulvey

The freshman basketball team experienced a thrilling 35-33 victory over East last Saturday. Both teams played excellent defense as they strived to gain the victory. This final victory left West with a well earned overall record of 10 wins to four losses. We would like to give Coach Sullivan special thanks for hanging in

there. The freshmen cheerleaders are also deserving of recognition for supporting the team through its successful season.

The girls' team battled East on Tuesday and walked away with the 23-21 victory they earned in overtime. The whole team played especially well in this game. Lorna Turgiss led the scoring with 18 points on

Friday, Feb. 13, when West earned a 35-25 victory over Tewksbury. Miss Kennedy is worthy of congratulations for coaching the team through its season.

The second edition of the West Side Story was given out on Friday, Feb. 13. The newly designed French column was a

success as well as the many feature stories.

Everyone is enjoying a beautiful February vacation for it is a nice break from the school year.

To Lecture At West Tuesday

Albert Forgione

"All the available evidence points to the fact that refined sugar weakens, to some degree, every muscle we can test. The weakening effect is rapid, occurring from five to twenty-five seconds after sugar touches the tongue." (Fearless Flying).

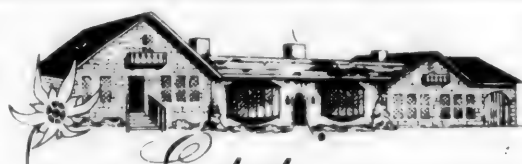

According to Albert Forgione, Ph.D., learning problems, stress, and behavior change may all be influenced by diet, especially by the amount of refined sugar in the diet. Stripped of all its nutrients, refined sugar must be broken down by various vitamins and minerals in the body. It creates a drain on the body, according to Forgione, drawing vitamins and minerals from the body systems.

Dr. Forgione will lecture on "The Psychological Effects of Diet—Nutrition and your Child's Behavior," Tuesday evening, Feb. 24, at 8 in Andover's West Elementary School auditorium. The program will include the importance of good nutrition as a vital factor in learning, in dealing with stress, and in changing behavior. He will demonstrate muscle sensitivity to refined sugar and discuss

"coffee nerves," vitamins, and hypoglycemic reactions.

Forgione is Associate Clinical Professor of Psychology at Tufts University School of Dental Medicine. He has authored several books including Fear: Learning to Cope and his latest book Fearless Flying. "Many of us tend to blame conditions outside our bodies for creating tension," writes Forgione. "We seek relief from sources in the external world... we ignore the role the self has in creating tension." This he says, is a mistake. In Fearless Flying he offers a program to help individuals cope with their fears through good nutrition, muscle relaxation, proper breathing, and conscious efforts. Forgione has developed biofeedback instruments used in medicine and dentistry, taught hypnosis and behavioral management of dental patients, and has lectured extensively on pain, fear, and stress management.

Tuesday evening's program will be of particular interest to parents, teachers and other professionals working with children. It is sponsored by The Nutrition Network and Andover's Department of Community Services. The public is welcome.

AFS Folks Dance

The American Field Service Club of Andover had its annual foreign exchange weekend earlier this month, hosting young people from such countries as Jordan, Great Britain, Germany, Bolivia and Sweden. The foreign students, who are all spending a school year in area high schools, were treated to an International Folk Dancing and Dessert Night, with Herb Matthis of Methuen doing the calling. Top photo: Timothy Thomas, the AFS Club advisor tags Andover High's exchange student from Sweden, Frida Erikson, to be his partner; AFS Club president Lauren Whitely joins hands with club member Miho Yoshida in a dance.

WE Awards Grant To Merrimack

Merrimack College has received a five-year \$50,000 grant from the Western Electric Fund

The Grant which is to be distributed \$10,000 a year for the next five years will be used to implement a study and evaluation of the Merrimack College curriculum as it relates to the needs and demands of students in the 80's, according to Merrimack College President Fr. John A. Coughlan

"This is a significant gift and we are most pleased to be among the select group of colleges and universities which are beneficiaries of the Western Electric Fund's \$50,000 gift," remarked Fr. Coughlan

"The curriculum study is extremely important to the college," he added. "We want our graduates to have solid educational credentials for their professional lives and we want their educational costs to be reasonable as well."

NOTICE OF PUBLIC HEARING MERRIMACK VALLEY REGIONAL TRANSIT AUTHORITY

In accordance with Section 5(i)(3) of the Urban Mass Transportation Act of 1964, as amended, the Merrimack Valley Regional Transit Authority (MVRTA) will conduct public hearings regarding the termination of all Commuter Rail service to the Town of Andover and the Cities of Lawrence and Haverhill. The proposed elimination date of rail service is March 15, 1981.

At the public hearings, testimony can be given by interested parties on the economic, environmental and social impacts of the proposed termination of service. This action is being considered because of the growing financial limitations being placed on the MVRTA and the above three communities. Public hearings will be held at the following locations:

Date	Place	Time
Thursday, March 5, 1981	Haverhill Public Library Auditorium	7:30 p.m.
Tuesday, March 10, 1981	Lawrence City Council Chambers City Hall, 200 Common Street	7:30 p.m.

Andover 7 - Agawam 0

Andover played a super game against Agawam in Danvers. The first period was all Andover's. On the first shift, Breen took the face-off and sent it to Bleszinski whose deflected shot went around the net. Stoltz picked the puck up and flicked it by the goalie on the short side. On the next face-off, Andover came right back again. Heavy action in front of the net resulted in the puck again going behind Agawam's net. Stoltz picked it up and swung in front of the net, where he shot it straight up and got the net just inside the crossbar. A minute into the game Andover had a 2-0 lead. At the seven minute mark, the line of Adams, Gilmartin and McNamara were putting pressure on. In an attempt to break out of their zone, Agawam's defense sent the puck up to their wing where Tormey picked it off and swung in on their goalie. He sent a pretty pass into the slot and Adams banged it home. Within a minute Adams swung into Agawam's zone and closed on their goalie. He slid a nice pass to McNamara who beat the goalie to the right side. Offensive pressure never let up. Andover's final score of the period came when Breen picked off the puck at Agawam's blueline and came into their zone on the right side, swung to the left and fired a low hard shot by Agawam's goalie. Defensively, Andover choked off the majority of Agawam's offensive drives. Tormey, McSweeney, Lyons, Maginnis and Stella did a fine job. The two shots Agawam managed were easily handled by Anderson. Andover had 11 shots on net and the period ended with Andover ahead 5 to 0.

In the second period, Andover's offense experienced a letdown. The defense still played strong, however. The game went back and forth for nine minutes and finally the line of Raftery, Donegan and Farnham put on some pressure which finally paid off. Donegan picked the puck up at Agawam's blue line and carried it over. He hit Farnham with a pass and Farnham slid a nice pass through a defenseman's legs, which was picked up by Raftery. Raftery put a nice low shot past the goalie which put Andover ahead 6 to 0.

On the first shift of the third period Andover scored again. Stoltz brought the puck in on the right wing and hit Breen in the center slot and Breen blew it past the Agawam goalie. At the six minute mark, Bleszinski scored on a pass from Breen but the goal was called back by the referee. In the closing minutes, Anderson made two nice saves to preserve his shutout. Shots on net were even at four and penalties at two. Overall Andover outshot Agawam 19 to 12 and the final score was Andover 7, Agawam 0.

Andover 6 - E. Boston 1

Andover skated hard from the opening faceoff. Eastie rushes were broken up time and time again by the fine defensive work of McSweeney, Maginnis, Tormey and Stella.

The play was up and down with no scoring until midway in the first period when Andover was called for an infraction. Coach Ferrara sent out Breen and Raftery to kill the penalty. Tormey got the puck off to the side of Anderson after a great save and passed it up to Breen who flipped it up the middle to Raftery. Raftery fired it around the boards and Breen gathered it in the corner and passed it over to Raftery who wasted no time and fired it in for Andover's first goal. With the penalty up, the line of McNamara, Gilmartin and Adams kept the pressure on and Adams fired one in with assists from Gilmartin and McNamara.

The next line kept up the attack and Raftery got his second tally off a nice centering pass from Farnham. Gilmartin led a three on two rush, but was broken up by an Eastie defenseman who quickly passed it up to his left wing who broke in and deked Anderson to make it 3 to 1.

Midway through the second period, James Berberian replaced Ian Anderson in the net. James is just returning after being out of action all season as a result of a summertime injury. Berberian was immediately tested and rose to the occasion. He made a great leg save on an Eastie breakaway and kicked it over to Stella

who passed it up to Raftery in the middle. Raftery deked the defense and let one go from the blue line to score his third goal, thus getting a hat trick.

Adams was called for tripping and Eastie immediately put on some tremendous pressure. Berberian was called on to make five successive saves on in-close shots and Andover killed off the penalty.

Andover's play seemed inspired and they really started flying. Stoltz gave a nice drop pass to Breen who slid it over to Raftery who then scored his fourth goal of the game to make it 5 to 1.

Near the end of the game Maginnis broke up an Eastie rush at the red line and carried it into the Eastie corner where he spotted Breen and hit him with a beautiful pass. Breen hit the puck on the move and scored to finish the scoring at 6 to 1, Andover.

PeeWee B Team

Wilmington League

Andover 5 - Billerica 1

Andover defeated a very solid Billerica team in a well played game by simply doing everything better for a full three periods. They actually had the game put away to the tune of 5-1 by the middle of the third period, and had denied Billerica on any scoring threats since a single goal early in the first period. But then they had to play three of the game's last four minutes in penalty situations, and two minutes of that was spent trying to kill off a five on three advantage for Billerica. Peter Trede, Matt Young, Mark Berberian and Matt Alden worked effectively in combinations during the five on three spot, and their steady play held a high powered offense to only two goals, and managed to spend a fair amount of the time threatening to score shorthanded.

Billerica got the game's first score, but within two minutes, on an Andover power play, Dave Riddiford sent Chris Sapuppo into the zone for a rush across the right circle and a pass to Bill Bruno standing in front on the opposity post. Bill drove a shot under the goalie, and Andover wasn't behind again for the rest of the game. Billerica's closes bid to being ahead again came a few minutes later on a breakaway. But goalie Tim Adams, playing one of his best games of the year, stood up and challenged, held his ground against a good fake, and swept the puck clear with a quick slide at the last second.

Early in the second period, Bruno put Andover ahead to stay. He and Riddiford broke into the zone trading passes, broke through two defensemen, and Bruno tossed the rebound of Riddiford's blocked shot up under the crossbar.

The Tom Herling and John Gangi provided great power play control at the blue line while the forward line of Kyle McCabe, Mark Berberian and Matt Young put tremendous pressure on the goalie, finally rifling a shot past him to add to the score. Andover faced its first five on three penalty situation before the second period was

over, and Brian Gibson, Bruno and Gangi stopped Billerica cold.

Matt Alden's line provided a lot of offensive threat with Dan Hagerty doing good work in the corners and Mike Nelligan skating his lane well at both ends of the ice.

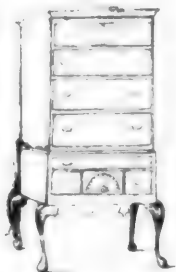

Berberian notched Andover's fourth goal, sent in along by a perfect centering pass from McCabe to cap off a good rush across the circle. Then McCabe scored, taking a pass from Young and sliding a soft shot under the goalie.

in the third period. Goalies Chris Hansberry and Tim Adams had backboned solid defense when it was needed, and solid checking in both zones had taken care of the rest. Brian Gibson got Andover on the board midway in the first period, when he was set up by Bill Bruno for a hard wrist shot from about 25 feet out. Then, 20 seconds into the second period, Kyle McCabe provided a little cushion, finishing off a play started just inside the zone by John Gangi. McCabe alertly grabbed the puck from a tangle of players and drove it past the off balance goalie. Saugus tightened up and held off several good efforts by forward lines of McCabe, Young and Berberian, and of Bruno, Sapuppo and Riddiford. But the effective Saugus defensive work was more than matched by Mark Needham, Gregg Tormey, Peter Trede and Tom Herling, and neither team could score until the halfway mark of the third period. Then Gangi got his second assist, starting off a scoring play with a sharp pass in to Mike Nelligan. Matt Alden tied up two Saugus defenders, and Nelligan moved the puck in to Dan Hagerty, stationed perfectly near the net to redirect it past the goalie.

Then an easy win began to look shaky. Saugus pulled all the stops, and scored two goals in two and a half minutes. But Andover took control again and held off several scoring attempts to take the win.

Pee Wee A

Andover's Pee Wee A's are moving through mid-season doldrums. After moving smartly out to a 20-10-5 record, their record on February 16 has fallen to 24-19-7. The A's are losing to and being tied by teams they defeated earlier in the season. Line and defensive pairings have been changed in recent games and there has been some pickup but the team has not been playing up to the potential it realized in December and early January. Success in upcoming tournament play will depend upon a return to the team's early season intensity.

South Boston 5, Andover 2

South Boston is one of the area's strongest teams, occupying third place (Andover is 11th) in the tough 22-team Wilmington League. Andover skated well throughout most of the game, but a lapses cost them dearly.

Andover scored to take a 1-0 lead before the game was four minutes old. Matt Shine and Paul Gilmartin were working the points behind Jamie O'Brien, Jeff McNeil and Mosa Kaleel when Jeff fed Paul near the right faceoff circle and he scored. Jeff and Mosa earned assists. Before the period ended, So. Boston's hustle and passing and skating ability was evident as they built up a 3-1 lead despite some excellent goaltending by Greg Najjar.

The second period was dominated by

South Boston as they outshot Andover 12-4, but managed to put the puck by Greg Najjar only once. Timmy Donovan, David Young and Shannon McCabe, backed by Steven Donovan and David Curtis, provided what offense Andover could muster in the period as David Curtis got off three good shots from the point and David Young one from in close but the Southie goalie stopped them all.

The third period was fairly evenly played. Cort Pomeroy and David Bartle had several good shifts but Andover did not score until South Boston had built up a 5-1 lead. The score came when Earl Abdoo poked in a rebound of Georgie Heseltine's shot with less than three minutes left. Mark Neaves helped set up the goal with a nice rush down the left side.

Triton 5 - Andover 4

The slump continued in a Danvers League game on Sunday, Feb. 8, when the A's fell 5-4 to Triton, a team they had beaten rather handily twice earlier in the season. The A's outshot Triton 27-18 but the number of quality shots was about equal.

The first period of the game was fairly evenly played with Triton scoring the only goal at the 11:51 mark. Mosa Kaleel's line with wings David Bartle and Cort Pomeroy managed several good rushes but Triton scored the only goal. The line had 12 shots on net in the game as they pressed throughout.

Triton scored three times in the second period despite being outshot 11-8. Andover's only goal of the period came at the 10:50 when Mark Neaves scored on a powerplay after being set up by Earl Abdoo and Georgie Heseltine. The unit was one of the few bright spots in the period for Andover as the forwards and defensemen Matt Shine and Paul Gilmartin kept steady pressure on Triton during their shifts.

Triton entered the final period with a 4-1 lead. Shannon McCabe made it 4-2 on a nice unassisted effort three minutes into the period and Andover seemed to be back

in it. Jamie O'Brien banged in the rebound of a Paul Gilmartin shot to make it 4-3 with four minutes left but Triton scored its

fifth goal 26 seconds later to regain the two goal lead. Jeff McNeil's line then came on with Timmy Donovan and Shannon McCabe on wings and Steven Donovan and David Curtis on defense and applied pressure in the Danvers zone but failed to score despite several good shots. Andover's final goal came with one minute left when Earl Abdoo converted a beautiful setup by David Young. Kenny Young played a good game in the net for Andover but his forwards and defensemen let him down in the defensive zone too often to win.

Andover 7 Charlestown 5

Goalie Kenny Young anchored the Pee-Wee's victory in Danvers League action on February 15, when he stopped 14 Charlestown shots in a very hard fought game. The Townies scored first, when the game was only 47 seconds old. Before the period was over though, Andover had scored three times for a 3-1 lead. Mark Neaves scored the first goal, finishing off a nice pass from Georgie Heseltine. Timmy Donovan scored the second Andover goal less than a minute later, busting in on the right wing with a set up off the sticks of Kyle McCabe and Jeff McNeil. Paul Gilmartin made it 3-1 with two minutes left in the period when he scored from the slot after a good feed from Mosa Kaleel. Defensemen David Curtis, Matt Shine and Peter Trede did a good job in the period containing Charlestown's offense and killing off three penalties.

The second period saw Charlestown score twice to tie it up at 3-3, as Andover managed on four shots on net, three of them by Earl Abdoo. Things picked up in the third period, but only after Charlestown had scored to take a 4-3 lead. First David Young scored on a hard wrist shot as he was being pulled down to make it 4-4. Jamie O'Brien made the play by feeding David a good lead pass. Less than two minutes later, Mosa Kaleel scored to give Andover the lead, snapping in a rising wrist shot from the top of the right faceoff circle after taking a pass from David Bartle. Twenty-seven seconds later Georgie Heseltine made it 6-4 as he circled the net and put the puck by the post. Shannon McCabe then had a chance for a score but the Charlestown goalie made a good save which seemed to spark his teammates as they then went down the ice to score to make it 6-5 with 3:33 left. Cort Pomeroy iced the victory with a goal from a scramble in front with just over two minutes left. David Bartle earned his second assist of the game on the score.

PeeWee A District II Tournament

Ipswich 7 Andover 5

The PeeWee A's drew the number one team in the Danvers League as a first round opponent in the District II playoffs on Monday, Feb. 16, and fell to a powerful Ipswich team 7-5. The game was tied up at 5-5 entering the final period but Ipswich wore down the A's and scored twice for the win.

Andover scored before the game was a minute old when Earl Abdoo came down

the left side and flipped the rebound of Georgie Heseltine's shot by the Ipswich goalie. The lead did not last long as Ipswich stormed Andover goalie Kenny Young and managed to get four shots by him despite the several good saves he made. The period ended with Ipswich leading 4-2 after Jamie O'Brien took an excellent feed from Shannon McCabe, went around a Jeff McNeil screen and put the puck in the net.

The second period was mostly all Andover and it ended with the teams deadlocked at 5-5. Georgie Heseltine made it 4-3 when he converted a very nice setup by David Young with 6:46 gone. Thirty-eight seconds later, David Bartle made it 4-4 when he cashed in the rebound of a Mark Neaves bid. After Ipswich scored again for a 5-4 lead, Cort Pomeroy scored after good passes from Mosa Kaleel and David Curtis for the 5-5 tie. Good forechecking by Timmy Donovan and defensive work by Matt Shine, Paul Gilmartin and Stevie Donovan kept Ipswich in their zone enough so that the third period began with the game still on the line.

Ipswich's big break came seven minutes into the final period when an Ipswich forward poked in a rebound and the goal was allowed to stand despite the presence of another Ipswich player in the crease. The goal seemed to discourage Andover and they gave up another one 13 seconds later for the final 7-5 count.

The A's have been invited to play in two other tournaments before the season ends in April, one in Quincy this month, and the other in Rhode Island in April. The hope is that their luck will be better than it has been recently.

Squirt B

Andover 3 Danvers 3

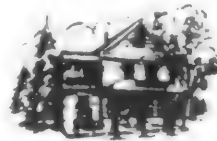

With the 3-3 tie against Danvers on Feb. 7, Andover's Squirt B's have gone three weeks without a loss in the Danvers League. The team's steady improvement is more evident every week as the B's now play evenly with teams which dominated them early in the year.

Danvers scored on a breakaway early in the first period for a 1-0 lead. The lead held throughout the period despite some heavy offensive pressure applied by Andover's Jimmy Morris, Randy Moreau, Danny Landoli line, as each player had good shots on net after working some well

executed breakout plays. Other than the breakaway goal, Danvers could not generate any sustained offense as Andover defensemen D.J. Camarota and Timmy Sullivan continually broke up plays and Michale Murnane made good stops and left no rebounds.

Danny Iandoli, David Sopp and Eddie Chaisson worked hard to supply Andover's goal to tie it up a 1-1 late in the second period. Eddie scored the goal after excellent playmaking passes by Danny and David. Matty Pothier made it 2-1 Andover early in the third period, scoring it at the end of a breakaway after being sent off by an excellent lead pass by Michael DiStefano. Todd Roycroft and Gary Bleszinski were robbed by Danver's goalie after excellent rushes in the minutes following Matty's goal. Danvers then scored two quick goals for a 3-2 lead with less than five minutes left. Defensemen Jonathan Shine and Michael Tiberii then dug the puck out of their defensive zone and sent David Sopp off on a solo rush which he scored on to make it 3-3. Andover hung on for the tie, as Michelle DiStefano made several good stops in the late going. Andover now sports a 4-11-1 record in the Danvers League.

Andover 5 Saugus 5

Andover's Squirt B's played their fourth Danvers League game in a row without a loss on Saturday, Feb. 14, when they played Saugus to an exciting 5-5 tie.

The first period was evenly played with Saugus scoring the only goal from a scramble in front after Michael Murnane had made two good stops in the Andover net. John Constantine, Todd Roycroft, and Randy Moreau combined to give Andover some good chances, but the Saugus goalie stopped all their shots.

After Saugus moved out to a 2-0 lead on a breakaway one minute into the second period, Andover scored three times in 57 seconds for a 3-2 lead. Eddie Chaisson scored two of the goals, one on a feed from David Sopp and the other on a beautiful pass out from the corner by Danny Iandoli. Dav

THE TOWNSMAN, FEBRUARY 19, 1981

Dan Zappalla and Burke Harrington combined for the tying and winning goals within a 30 second span late in the third period to lead Haffner's to a hard fought victory over Indian Ridge at Brooks School. After Haffner's took an early 1-0 lead on Harrington's first goal, Indian Ridge tied the score at 1-1 on a Mark Durkee shot from the right slot with Bobby Smith assisting. Early in the second period Smith dropped a pass back to the point for Jay Turmel. Turmel's blistering shot was tipped by Mark Durkee past goaltender Gary Bachinsky. Haffner's tied the game on an unassisted goal by Dan Zappalla only to have Mark Durkee and Craig Wonson combine to put Indian Ridge back on top 3-2, setting the stage for Zappalla and Harrington. Paul Murphy and Dan Cyr upped the margin to 5-3 before Kathy Donoyan's first goal of the season closed the gap to 5-4 with time running out. Burke Harrington's goal into an empty closed out the scoring.

Girls Hoop League Begins Play

The Department of Community Services Elementary School Girls Basketball League began its second week of competition this past Saturday morning at the Bancroft School gymnasium.

After two weeks of play only one team, the Shawsheen Red Hots, remain undefeated. This weekend's action opened with the Jets being edged out by the squad representing both the Bancroft and West Elementary Schools. The score in this opener was 8-2. Carolyn Nash, Jennifer Kasper, Mina Sheel and Lynn Brocklesby each scored one hoop for victors, while Hallie Keene scored the lone basket for the Jets. In the day's second contest, the St. Mary's Blazers overwhelmed a young Sanborn team by a score of 42-0. Although they played spirited basketball, Sanborn could not get untracked against the powerful, more experienced Blazer team. High scorers for the Blazers were Doris Bayron with ten points, Patricia Dingam with eight points and Robin Sullivan with six. In the day's final game, the Shawsheen Red Hots took on a new and inexperienced South Broncos squad. Despite an outstanding offensive performance by the Bronco's Carol Williams, who dropped in four points in a losing effort, the Red Hots' Nancy Lee scored ten points and led her team to a hard-earned 14-6 victory. Next week's games will be as follows: 9 a.m., Jets vs. Shawsheen Red Hots; 10 a.m., Sanborn vs. West Elementary Bancroft; and 11 a.m., St. Mary's Blazers vs. South Broncos. All league games take place at the Bancroft School gymnasium.

preserved their undefeated status on a goal by Dan Zappalla from Paul Murphy. After Mike Alden had given North Andover Supply a 1-0 lead, the game turned into a battle of goaltenders as North Andover Supply's Pat Hayes and Haffner's Gary Bachinsky turned aside shot after shot before Zappalla's goal tied the game.

West Wins League Championship

The West Junior High School's eighth grade basketball team won the league championship last Tuesday with a victory over arch-rival, East Junior High. West ended its season with a perfect 10 wins and no losses.

This eighth grade league is made up of the middle schools in Methuen, Lawrence, Wilmington, Dracut, and East and West Junior High Schools in Andover. League play started in mid-December and ended this past week.

This year's squad worked hard throughout the season, improving many aspects of their overall game. Team members are especially proud of their defensive skills which held the opposing teams to an average of 31 points per game. Meanwhile, offensively the team averaged 47 points per game.

On Friday, Feb. 28, league commissioner, Karl Lippmann, will present the Championship Trophy to the team members and school before the Faculty-Freshman basketball game.

Members of this year's undefeated squad are Kraig Burzlaff, Bob Charland, Chris Comparato, Mark Doherty, Brian Finnerty, Pedro Gleason, Paul Lambers, Bill Lane, Glenn Livermore, Jeff Poor, Dan Sheehan, Andy Thomson, and Bill Weidman. The team's managers were David Workman and Tim Perry.

Phillips Academy. Mike Hart gave Indian Ridge an early 1-0 lead with assists going to Mark Durkee and Rob Moddy. After Andy DiTore tied the score at 1-1, Jay Turmel and Durkee combined for a power play goal to put Indian Ridge back on top 2-1. John Habib and Jack Sweeney scored to boost Bowne into a 3-2 second period lead. In the third period Rob Moody, playing his best game of the season, set up Turmel and Durkee for a 4-3 Indian Ridge lead. A tough Bowne defense shut down numerous Indian Ridge scoring attempts throughout the contest.

PeeWee Division

Clark Motors 8 Andover Chimney 2

Brian Costello scored three goals and Jeff Leonard picked up three assists to lead Clark Motors to a 8-2 victory over Andover Chimney Sunday at Brooks School. Brian Perry, Sean Driscoll and Mike Barrett also scored for Clark Motors with Driscoll and Brian Wise picking up assists. Robin Kim scored both Andover Chimney goals with Scott Powers assisting.

Memorial Hall Library

Foreign Film Series

The first in the spring series of Foreign Films will be shown on Friday, Feb. 20 at 7:30 p.m. at Memorial Hall Library. "Olympia, Part I," the classic, controversial documentary of the 1936 Olympic games, made by Leni Riefenstahl under the supervision of the Nazi propaganda minister, Joseph Goebbels, covers track and field events. Because this film and many of the others in the series are subtitled and the content is intended for mature audiences, we ask that you do not bring children to these programs. Open to the public without charge.

Great Books To Discuss Chekhov

The next meeting of the Great Books Discussion Group will be held at Memorial Hall Library on Tuesday, Feb. 24 at 7:30 p.m. Anton Chekhov's "The Man in a Shell," "Gooseberries," and "About Love" will be the subjects of this week's discussion. All persons interested in reading and discussing some of the great

works of literature are cordially invited to join the group at any time. Further information may be obtained from Dorothy Sherrerd, Community Services librarian.

Everybody's Business

"Everybody's Business," an irreverent guide to corporate America, is a new addition to the Reference Collection at Memorial Hall Library. The book answers a wide range of questions about 317 large businesses, as well as portraying their style and personality. By relating some history, providing sales figures, brand names, rankings and reputation, editors, Moskowitz, Katz and Levering, reveal an amusing yet authentic picture of American industry today.

Children's Room News By Bridget Bennett

On February 20, Films-on-Friday will be presenting a special vacation program featuring two favorites by Maurice Sendak. Older brothers and sisters of preschoolers are especially invited to come along for the 10:30 a.m. or 2 p.m. showing of "Where the Wild Things Are" and "Really Rosie." The program will last approximately 45 minutes.

On Saturday, Feb. 21 at 2 p.m., the Children's Room will present the ballet, "Peter and the Wolf," as danced by the Methuen Ballet ensemble. Free tickets for this performance will be available in the Children's Room one-half hour prior to the show. Although open to children of all ages, seating will be limited to 150.

Registration for our weekly story hours for Littlest Listeners will commence on Monday, Feb. 23, and will continue for two weeks, with the first sessions beginning March 10 and 11. If you have a preschooler between the ages of 3½ to 5 who would like to join either a Tuesday or a Wednesday morning series, please come in and sign up.

For parents of infants and toddlers, we are planning a special morning program to be held March 3, which will be designed to explore some techniques for sharing books with the very young. Meg Holmes, a children's librarian, will be here to bring you "First Steps: Introducing Books to Children Under Three." Coffee will be served and youngsters are also invited.

We All Scream For Ice Cream

The South School PTO sponsored its annual ice cream smorgasbord last week in the school's auditorium. The evening brought out the kid in everyone, as each person ordered his own sundae with a variety (or all!) of the toppings. Photos clockwise from upper left: Sherron Heller of 48 Tewksbury St., a South mother, prepares a fudge sundae; Four-year-old Scott Gray, 391 Main St., watches as his dessert is created; Two-year-old Christopher Foster, 425 S. Main St., gives his dad a lesson in the art of eating a sundae; First grader Jeff Fluhr, 8 Garfield Lane, shows no signs of slowing down on his second sundae; Deciding not to wait for a spoon is Robin Piantedosi, a kindergartener at South; Ben Garcia, 65 Spring Grove Road, eyes his prize, and first grader Ryan Evans, 75 Spring Grove Road, decides his sundae came out just right.

Progress Report Due School Building Group

The school building committee tonight will hear a progress report on bid documents being prepared for the \$11.72 million school project — which is now two months behind its original schedule — during a committee meeting at 7:30 p.m. at town hall.

During what is likely to be a brief session, project architects from Perley F. Gilbert Associates of Lowell will meet with the committee to confirm that they are now on schedule. Town Manager Jared S.A. Clark said Tuesday.

The three-part project for renovation of the town's secondary schools is slated to be put out for construction bids in mid-March. The building committee had planned to begin the bidding process this month, but learned three weeks ago that the architects had fallen behind schedule again.

Selectmen Accept Land Gift

The selectmen last week corrected a five-year-old oversight by formally accepting from the 93 Building Trust, owners of the West Andover Industrial Tech Park, a gift of several acres of land along the Shawsheen River.

According to Dina Hammond of the Conservation Commission, the Boston-based building trust deeded the strip of land to the town in 1975, when Hewlett-Packard moved onto the property. The land gift was meant to protect the riverbank, she explained.

However, at the time, the board of selectmen failed to sign the deed — a necessary step to complete the transaction and make it a matter of record. When the selectmen signed the deed last week, the gift was finally made official.

Voter Registration Scheduled

Registration of new voters will take place at two special sessions of the registrars.

Those planning to cast ballots in the annual town election in March may register at the Town House on Tuesday, Feb. 24, from 6:30 to 7:30 p.m. and on Saturday, Feb. 28, from 12 noon to 8 p.m.

Some proof of residence, such as a tax or utility bill, should be brought to the session to present to the registrars.

The committee's original schedule called for opening the project up for bids in late December. However, architects' delays, including the need to redesign portions of the project to cut costs, forced that target date to be pushed ahead to February.

During their last meeting, committee members expressed some concern that the recent delays may make it impossible to reopen the three schools to be renovated by September, 1983, as planned.

Chairman Kenneth Gropper emphasized that the architects "can't slip any further" and still hope to complete the project on schedule.

Under the building program, approved by town meeting last year, the Doherty School will be converted into a junior high, using the Memorial Auditorium section of East Junior High as part of the new school. A new addition will also be built at the school, and parts of the existing school will be renovated.

A new 1,250-seat auditorium, designed for community as well as school use, will

be added to the high school, while a new I.M.C. (Instructional Materials Center, or library) will be built in the courtyard of West Junior High. Parts of both schools will also be renovated.

Choral Groups In Concert

The Phillips Academy Chorus and the Fidelio Society will both take part in a remarkably diverse program of popular Choral master pieces on Sunday, Feb. 22, at 3 p.m. in Cochran Chapel.

The Fidelio Society will sing madrigals by Renaissance revolutionary Carlo Gesualdo, as well as some barbershop favorites. The group is directed by Susan Lloyd.

The larger academy chorus will sing Irving Fine's lighthearted "The Lobster Quadrille" from Alice in Wonderland and "The Road Not Taken" from Randall Thompson's Frostiana series. They will be joined by a small orchestra for selections from Leonard Bernstein's "West Side Story." The Chorus is directed by Mimi Bravar.

There is no charge for admission and the public is invited to attend.

New Headmaster's Wife Will Contribute Her Own Talents

By Sue Aucella Deacon

When Donald W. McNemar takes over the reins as headmaster of Phillips Academy in July, with him will be his wife of 13 years, Britta (Schein) McNemar, who will contribute her own talents to the academy as assistant director of the college counseling office.

Thirteen seems to be the McNemars' lucky number. Mrs. McNemar noted during a recent telephone interview from her office at Dartmouth College: McNemar will be the thirteenth headmaster at the 203-year-old academy, succeeding Theodore R. Sizer, and his appointment was announced Jan. 13.

"We are really excited about coming to Andover," Mrs. McNemar said with enthusiasm. "One of our daughters says she is half happy, half sad, and that seems to be a good way to express it. We have really enjoyed our time here at Dartmouth, but this is a challenge we're really up for. We're really looking forward to it."

For the past five years, Mrs. McNemar has served as director of undergraduate career planning and counseling at Dartmouth, where her husband is associate dean of the faculty for social sciences. She is responsible for all aspects of career planning for students, both on and off-campus, before and after graduation.

At Phillips, Mrs. McNemar will be involved in "the opposite end of it," she explained, advising students on choosing colleges and "making life plans." She also plans to explore the possibility of offering more "general career counseling" to academy students.

A former American History teacher at public high schools in Philadelphia and Trenton, Mrs. McNemar holds a degree in history from Connecticut College, and a master's degree in science from the University of Pennsylvania.

Before taking her current position at Dartmouth, where her husband joined the

Coming To Town

The McNemar family — from left, Galen, four, Donald, Britta, and Heather, six — will move to Andover in July when Donald McNemar takes over as headmaster of Phillips Academy, and Britta McNemar becomes assistant director of the academy's college counseling office.

faculty in 1969, Mrs. McNemar served as assistant dean of the college, and assistant dean of freshmen. From 1971 through 1973, the McNemars were deans-in-residence at Dartmouth, living in a cluster of four dormitories with 300 students.

That experience should serve as a "useful background" for the couple's new life at Phillips, Mrs. McNemar said. "It will be helpful because we have a very clear

idea of what goes on with student life, 24 hours a day, seven days a week. We know what is involved in dormitory life — although we will be in a little different setting, of course. There are more rules and regulations at the high school level."

Mrs. McNemar is a past president of the alumni association of Connecticut College (she served from 1977 through 1980), and she expects to remain involved with the college. "I have a pretty long-standing

loyalty to Connecticut College — I've been active, and I will continue to serve the college in some way."

She has also worked for the ABC (A Better Chance) program in Hanover, N.H., currently serving as the volunteer vice president of the board of directors, and is part of a "women's network" at Dartmouth. That group "meets once a month and works on various projects," she explained. "I'd like to continue working with that kind of group."

Mrs. McNemar hopes to become active in the Andover community, but where her interests will take her is uncertain at this point. "I have an awful lot to learn about the town, about what's there. I'll have to meet the people before I'll know what I'll be doing."

With their first few glimpses of Andover, the McNemars have found it to be "a very appealing, very attractive community," she added.

The McNemar's two careers have long been intertwined: They met while both were working as teaching fellows during a summer session at Mount Hermon School in Northfield, Mass. They are the parents of two daughters, Heather, 6, and Galen, 4 — both of whom are eager to make new friends in their new hometown.

When current Phillips Headmaster Sizer steps down in July to head a study of American high schools, his wife, Nancy, will leave "big shoes to fill." Britta McNemar remarked:

"But I am really looking forward to it. It's a new challenge."

Train Service To End

Commuter rail service, reinstituted a little over a year ago to the Andover area, will end on March 15.

The Merrimack Valley Regional Transit Authority (MVRTA), at its Feb. 12 meeting voted to terminate the rail service to Andover, Lawrence and Haverhill, and has so advised the MBTA, which provides the service.

Public hearings seeking public input on the future of commuter rail service in the area are scheduled for early March by the MVRTA, with one set for Andover on March 11 at 7:30 p.m. in Memorial Hall Library. Other hearings will be at 7:30 p.m., March 5 at Haverhill Public Library and March 10 at Lawrence Public Library.

In announcing the intent to halt rail service in the area, MVRTA cited the uncertainty of the legislature passing a deficiency budget which would result in an estimated \$76,000 cost of the service being born by the three participating communities.

There is no assurance that additional subsidies will be contained in future state budgets for rail service, was another factor in the decision.

The MVRTA Advisory Board indicated it would contact area legislators requesting them to pursue 100 per cent funding of commuter rail service for fiscal year 1982.

Seeks Term On School Board

Michael R. Giammusso, 68 Summer St., has announced his candidacy for the three-year term on the school committee.

The seven and one-half year resident of Andover was born in Medford and graduated from Medford High School. He received a B.S. degree in electrical engineering from Northeastern University and a Master's degree in electrical engineering from New York University. He is presently a member of the technical staff at Bell Laboratories in North Andover.

He served as captain in the U.S. Army Signal Corps prior to settling in the Merrimack Valley. Last year he was part of a parents group which worked for the school building program. He has also coached in the Andover Youth Soccer League the last two years.

In announcing his candidacy, Giammusso said, "I feel an obligation in these times of financial stringency to do whatever I can to ensure that quality education maintains a high position in our priorities as a community."

Michael R. Giammusso

"However, I do understand the reality of the economic situation in which we find ourselves and the frustrations which led to

it. I realize that some trimming will have to be done, but I would hope to be part of a process that would accomplish it with compassion and common sense. At the same time the legislature should be prodded to enact meaningful tax reform to allow us, along with so many other communities, to soften the impact of this very severe situation. We are also going to need a high level of cooperation and involvement from parents and PTO groups to help sustain some programs which just might not otherwise survive.

"The last few years have seen tremendous improvement in Andover's school system: improvement in quality of education, improvement in understanding between the administration and the school committee and improvement in overall response to the needs of our children.

"This evolutionary process toward higher excellence along with the very fine building program we are embarked on is, I believe, about to thrust into a new era of quality education. We have to be careful that short term expedients do not inhibit this growth."

the 1980 Rabbit Diesel:

Introducing the 1981 Rabbit Diesel.

We never seem to just let well enough alone.
Our 1981 model actually has an engine that's even bigger than last year's.
Which means you'll get a more powerful car, with better acceleration and passing power.

Plus the kind of astonishing mileage and superb comfort our Rabbit tempted you with last year. In fact, EPA estimated 42 mpg, 56 mpg highway estimate. (Use "estimated mpg" for comparison. Mpg varies with speed, trip length, weather. Actual highway mpg will probably be less.)

Facing Reality

Andover school committee members are on the verge of continuing the courageous efforts they displayed a year ago.

As the school building program progressed and indications were that a school should be closed due to declining enrollments, the committee, after much discussion and pressures, made the decision to close Doherty elementary school.

It was an unpleasant task, but one which was necessary in view of the needs of the community and looking to the future in an economically considerate manner.

It was thought at the time that such decisions may face school administrators in a few years again, but certainly not as soon as a year later.

But, face that decision they must.

The school department must somehow or other come up with savings of over a million dollars, due to the conditions set down by the voters last November in approving Proposition 2½.

With that in mind, and the assured necessity of closing another elementary school within a year or two, the school committee and administration last week began the initial thrust toward a school closing this fall. Only which building will be closed seems to be in question.

In essence it represents a facing of reality by the school committee and administration.

And, assuredly it will bring adverse response from parents of children in the schools so involved before an ultimate decision is given by the school board.

It is unfortunate.

What is destined to happen in the coming weeks will be impassioned pleas on the part of parents to allow their neighborhood school to continue to serve their particular area. The merits of the facility will be expounded, the harm that could come to children through an uprooted educational environment will be placed at the feet of the decision-makers.

In many ways these desires are understandable, even though they are for the most part purely selfish interests.

Bricks and mortar do not make for quality education. It is the professional staff which provides the proper environment for a good learning experience. Andover has that, and the efforts are now aimed at keeping the professional staff intact as much as possible and still meet the requirements of Prop 2½.

As for children moving from one building to another, it is hardly a problem. Children, for the most part, adapt quite readily to new environment and challenge.

Evidence of this is apparent in the smooth transition of the many youngsters involved in the transfers which followed the closing of Doherty last June. School opened smoothly in September, and the youngsters seem to have adapted well and without problems in their new classrooms.

We trust the same will follow when another school is closed at the end of this year.

No doubt there will be suggestions made as to how best to accommodate all of the present enrollment within all of the schools now operating and there will be efforts to retain the neighborhood concept of public education in Andover.

But, the time has come when a decision must be made in the best interests of the entire town of Andover rather than a particular sector of the community.

It would appear that the ultimate decision will see either Shawsheen or South school closed. They seem to be the logical choices at the moment.

The final choice remains within the province of the school committee, no doubt relying on recommendations from the administration.

Based on their actions of a year ago, when making the tough decision was difficult, but necessary, there is every reason to have confidence that the board will act

Down The Years With The Townsman

75 Years Ago — February 1906

The sleighing is at present the best of the season, and several sleigh ride parties are planning to take advantage of it.

Leonard D. Sherman, the well known photographer, starts next Tuesday for a ten days' snowshoe trip through the lumber regions of Maine. The studio will be closed until his return.

The annual temperance meeting will be held in the Town hall on Sunday evening February 25. Local ministers will have charge of the meeting and prominent local men will give addresses.

The large elm at the rear of Buxton and Coleman's store on Park street was cut down on Monday, as it had rotted in the centre and had a large number of brown-tail moths in its branches. The tree was said to be 120 years old.

Not for many years has the local political sea seemed to be so unruffled as it is this year. Of course there is time yet for a generous portion of excitement before the election, but it looks as if things would go on very smoothly. So far as can be learned the Board of Selectmen is likely to be practically undisturbed.

50 Years Ago — February 1931

A school budget of \$150,344 was adopted for the year of 1931 at the monthly meeting of the school committee held last Friday night. This is less than the budget for last year. The financial statement for the five

weeks ending Feb. 3 amounted to \$18,920.16.

For the first time in several years the snow and ice conspired together to be present in good condition for the winter carnival. On Wednesday, the Abbot rink was surrounded by high banks of snow which had been carefully removed from the surface of the ice, and was covered with constantly moving, brightly colored figures.

A log cabin, the gift of some generous Andover alumni, is now being constructed in the Phillips Academy bird sanctuary. Its purpose is in part to serve as an objective to students who are taking tramps through the countryside, for it will welcome boys with two cheery fireplaces, a library for those who wish to read, and perhaps best of all, hot coffee, waffles, and other viands to fill the inevitable aching void.

Water extensions in the outlying portions of the town, the cost of which will aggregate \$57,360 are asked for in four different articles in the warrant which will be acted upon by the voters at the annual town meeting to be held on March 9.

The Shawsheen hockey club met Sunday night and held a discussion in regard to new uniforms the club expects to buy in the near future. The uniforms are being made possible through the generous con-

tributions of the people of Shawsheen village.

25 Years Ago — February 1956

Two house breaks and an attempted break are under investigation this week by police. Chief David Nicoll reported that two homes were entered last week and said an Italian-type gun was stolen from one home. The attempted break, he reported, was partially witnessed by two women, but police were not called until nearly two and a half hours later because the women didn't want to call the police for what might have been a false alarm.

Planning Board members proposed two additional measures Monday night which would either slow down building here or add money to town coffers to meet increased costs. Member Robert MacMackin suggested a flat \$500 fee be placed on each building permit — with the money to go into the town treasury and used for such purposes as new schools or added utilities.

Despite requests to the contrary, the State is planning to construct an interchange at Dascomb Road for the relocation of Route 28. No interchange is planned for Lowell Junction. That information, which caused town officials to comment acidly on the attention paid to Andover's requests, arrived at the town hall via a letter to selectman Sidney P. White.

Four members of the school committee

with the consent of the fifth, have issued a statement opposing the town manager form of government as it relates to school matters.

The Acme Concrete company of Stoneham, through its president, Walter Thomas, has flatly denied any operations at its Fletcher street contractor's yard that violate zoning regulations or appeal board decisions. And in a letter to Town Counsel Vincent A. Stulgis — answering his letter that gave the firm a choice of stopping some activities there or facing action — the firm is reported to have offered to meet with town officials to discuss the matter.

10 Years Ago — February 1971

Potholes are plaguing motorists in two particular sections of Andover, over which the Department of Public Works has no control. The railroad crossing on Essex street has been in deplorable condition and Elm Street periodically has produced some real bone-jarring bounces for motorists travelling that thoroughfare.

Andover received some good news this week when the state Bureau of Accounts certified the town's free cash account. Town Manager J. Maynard Austin reported this week that the certified figure for 1970 was \$1,500,084, a considerable jump from a year ago.

JACK ANDERSON & JOE SPEAR

WEEKLY SPECIAL

CIA-trained twosome
teaching terroristsBy JACK ANDERSON and
JOE SPEAR

WASHINGTON -- Secretary of State Alexander Haig has declared a war on terrorists. Perhaps he should first track down two shady American businessmen named Edwin Wilson and Frank Terpil.

In some ways, they are worse than incorrigible criminals who commit acts of violence. Wilson and Terpil train terrorists in the bloody techniques of kidnapping, torture and assassination.

Both men were indicted last April for shipping explosives overseas, conspiracy to commit murder and training terrorists. They fled the country to avoid prosecution.

Intelligence sources told our associate Dale Van Atta that Terpil and Wilson now make their headquarters in Tripoli. They have set up five to eight training camps where the terrorist groups receive instructions in their deadly pursuits. Terpil and Wilson, incidentally, learned their black art as operatives in the Central Intelligence Agency.

Several days ago, Terpil flew to Beirut under the protection of the Palestine Liberation Organization and registered in the Wienerhaus Hotel.

Apparently, the training offered by Terpil and Wilson has paid off -- in blood. Our sources say that Libyan assassination squads have already used the techniques taught by their American

instructors. At least a dozen opponents of Libyan strongman Muammar Qaddafi have been killed in the past several months.

CLEAN SWEEP -- Ronald Reagan swept into the presidency on a promise to clean house in Washington, and his broom has reached into the most remote corners of the White House. Two dozen secretaries on the domestic policy staff, for example, were summarily fired.

These women had no political backgrounds. Most of them had held their modest positions through several administrations, both Republican and Democratic. Their jobs were considered nonpartisan.

Even worse was the way the secretaries were fired. They were told on January 19, the day before the inauguration, to report at 8:30 sharp the next morning. They dutifully showed up on time, but were kept cooling their heels until one o'clock in the afternoon. Then they were given hastily arranged interviews that, some of them said, were more like loyalty tests.

The secretaries were told that the Reagan administration intended to bring a touch of "class" to the White House. They were told that silver coffee services and china cups would be the rule.

Apparently, the secretaries' exposure to four years of Coca Cola and blue jeans under Jimmy Carter was enough to rule them out. Shortly after the peculiar

interviews, all but four of the secretaries were ordered to turn in their White House security passes the next day.

Stuart Eizenstat, the outgoing domestic policy chief, called his successor, Martin Anderson, about the sudden firings. Eizenstat asked that the secretaries at least be kept on the payroll for two more weeks while they looked for other jobs.

The secretaries were granted the two-week grace period.

SOME SUGGESTIONS -- President Reagan is trying to trim the federal budget, and we'd like to suggest some cuts that would save the taxpayers a few billion.

The Domestic International Sales Corporation Program, for example, is a strange little-known bureaucratic beast which is supposed to encourage export trade. It allows businessmen to defer income tax payments for years.

The results of the program have been negligible. If the tax benefits were phased out -- perhaps over a three-year period -- it would put \$8 billion into the federal treasury.

Another superfluous item is the government's complex price-support program for dairy products. It not only adds to the prices consumers pay for milk, butter and cheese; it also encourages overproduction. If cutbacks were begun next year, the taxpayers would save over \$4 billion by 1986.

Meanwhile, we're pleased to report that President

Reagan has set a modest example. Jimmy Carter included in his budget for the next fiscal year the sum of \$50,000 for further renovation of the president's living quarters. But Reagan's aides called the congressional appropriations committees and asked that the \$50,000 be deleted.

HEADLINES AND FOOTNOTES -- Interior Secretary James Watt has put his staff on notice: Anyone who doesn't agree with the "multiple use" of public lands should search for a new job. In other words, anyone who doesn't like the idea of opening up parks and wilderness areas to developers shouldn't work at the Interior Department.

Libyan dictator Muammar Qaddafi is still trying to obtain delivery of some military transport planes he bought from the United States several years ago. The State Department has refused to deliver the aircraft because of Qaddafi's involvement with terrorists. So now, say our sources, Qaddafi is trying to get some corporations in the Bahamas to buy the planes, then ship them to him.

A chilling excerpt from a top-secret report by the Joint Chiefs of Staff: "Although U.S. forces have been adequate through the 1970s, they are clearly not sufficient to prevent considerable risk in the early to mid-1980s."

Frizelle, Hannon Triple Winners

In a meet at the Needham Y last Saturday, the Andover-North Andover YMCA Seastars boys' team posted two triple winners and 11 double winners.

In Class E, Paul Mitchell won the 100 yard individual medley and 25 yard butterfly while Brad Cronin was second in the 25 yard freestyle. Thacher Worthen was second in the 50 free. Kevin Newman took thirds in the 50 and 100 free and Vinnie Bates was third in the 50 back for Andover in Class D.

Al Frizelle was a triple winner in Class C as the Seastars won 43-30. Frizelle took the 50 fly, 100 free and anchored the winning freestyle relay team of Brian Cronin, Scott Bates and Ted Crane, all of whom were double winners. Cronin won the 200 I.M. and was third in the 50 breaststroke. Bates won the 50 free and was second in the 100 free and Crane won the 200 free and was second in the 50 breaststroke. Also scoring points were Pat Robb, second in the 50 free and John Austin, third in the 50 backstroke.

The Class B swimmers won the age group 48-28 to finish their season undefeated. Dan Paradis won the 100 free and Dennis Sullivan took the 100 breaststroke, then teamed with David Bellino and Grant VanAken to win the 200 yard medley relay. Bellino took thirds in the 200 free and 100 back while VanAken placed second in the 100 free and 100 breaststroke. The victorious free relay was composed of David Austin, Ted Anderson, Doug Wayland and John Tolan. Tolan also won the 200 I.M. and was second in the 100 fly. Wayland won the 100 back while Anderson was second in the 200 free. Tolan, Sullivan, Wayland and Paradis were double winners.

John Hannon was a triple winner in Class A taking the 50 free and 100 back. He teamed with double winners Matt Miele, Darryl Jones and Kevin Bernier to win the 200 medley relay. Miele won the 200 free and was second in the 100 back. Jones won the 100 fly and was second in the 100 free

while Bernier won the 100 free and was second in the 50 free.

Wednesday evening the boys compete against the Phillips Academy junior varsity at P.A. at 7 p.m.

Ski Titles On Line Sunday

35

THE TOWNSMAN, FEBRUARY 19, 1981

With two postponements because of a lack of snow behind them, the Eastern Mass. Buddy Werner League Championships will attempt to get underway on Sunday, Feb. 22, at the Bradford Ski Area.

All seven and under racers will be able to participate in this event, with 30 Andover skiers in the 8 to 13 year old age groups eligible to race in the quest for the team championships.

Racers were selected based on their performances during the regular season. The championship race will find Andover competing against the best ski racers from Bradford, Amesbury, Concord, Dover Sherborn, Framingham, Lincoln, Merrimack Valley, Sudbury and Waltham in what promises to be an exciting and close contest.

Representing Andover will be the following: girls 7 and under - Taylor Simpson, Amy Heseltine, Hillary Recesso, Nicole Poisson; boys 7 and under - Justin McCoart, Paul Durant; girls 8 and 9 - Joan Asgeirsson, Megan Simpson, Amy Heislein, Heather Koehler, Jennifer Recesso, Michelle Soreff; boys 8 and 9 - Brent Raftery, Randy Ying, John

Teichert, Adam Galvin, Craig Knight, Greg Killilea (alt.), Bill Batchelder (alt.); girls 10 and 11 - Shannon Smith, Cheryl Crawford, Gillian Recesso, Wendy Ying, Kim Heseltine, Britt Collins; boys 10 and 11 - Bobby Hughes, Mal Galvin, David Cookson, Matt Sanborn, Mark Polakow (alt.); girls 12 and 13 - Katrina Smith, Brenda Busta, Sally White, Michelle Poisson, Karen Reddington; boys 12 and 13 - John Recesso, Bruce Crawford, Chris Graff, Brendon Collins, Bryan Poisson (alt.).

The championship race will begin promptly at 9 a.m. with registration starting at 8 a.m. All Andover racers should report to the First Aid Shack at 8 a.m. sharp so that they may meet with their coaches, receive their bibs and properly study the course.

Plans are underway for the annual banquet to close out the year. This event will be held on Thursday, March 26, at the Elks Hall in Andover, under the chairmanship of Mrs. Jane Teichert. Complete details will be forthcoming.

West Parish A Nears Title

By Rick Harrison

Undeate West Parish A moved within one victory of clinching the Gold Division championship in the Andover Church Basketball League, beating St. Robert's B 37-22 last week at West Junior High for its ninth straight victory.

The only team with a chance to catch the leader, St. Augustine A, nipped Christ Church A 31-30 to remain two games behind with just two games left in the regular season.

Rounding out Gold action were victories by Temple Emanuel and St. Augustine D, with the former outlasting St. Augustine C, 34-28, and the latter belting St. Robert's A, 27-12.

West Parish A, 37-22

West A had some trouble getting untracked, as Jeff Smith scored a pair of baskets and Gerry Nassif swished a brace of free throws to give St. Robert's B (5-4) a slender 6-5 lead after one quarter.

The frontrunners broke loose in the second period, grabbing a 17-10 halftime lead when Bob DiTroia pocketed six points, Tim Boudreau added a pair of baseline swishes, and Larry Aiello contributed a basket.

West A (9-0) stretched its lead to 28-14 after three stanzas as Steve Gemmell, Chris Abell, Leo Gravell, Boudreau and Aiello sparked the balanced third quarter attack.

The rivals traded points in the final

session, with Gemmell swishing three foul shots while Scott Kelly, Rob Barnard and DiTroia added fieldgoals.

John Perry countered with four points and Chris Concemi netted three for St. Robert's B, but it wasn't enough.

All eight West A players hit the scoring column, as Tim Boudreau and Rob DiTroia shared game-high point honors with 8 apiece.

Steve Gemmell chipped in 7 points along with his usual solid job defensively and off the boards, while Larry Aiello and Rob Barnard notched 4 points each.

Scott Kelly tossed in 3 points, Chris Abell 2 and Leo Gravell 1.

Jeff Smith, Gerry Nassif and John Perry flipped in 6 points apiece for balanced St. Robert's B, while Chris Concemi pocketed 3 and Chris Sapuppo 1.

Other St. Robert's standouts were Larry Middleton, Steve Veilleux and Mike Moynihan.

St. Augustine A, 31-30

St. Augustine A (7-2) chalked up its third consecutive down-to-the-wire victory, taking advantage of the foul line and some fourth quarter heroics to overtake Christ A (6-3).

St. Augustine A, which dropped a tight 27-23 decision to C-C in their first contest, was coming off a 32-31 overtime triumph against St. Augustine D and a 28-25 decision over St. Robert's B.

Christ A, with Beau Jones and Doug Rotondi leading the way, grabbed a 10-5

first period lead. At the end of the quarter Jones stole the ball and pocketed a lay-up, but the referee ruled time had expired before the shot. That disallowed bucket came back to haunt C-C.

St. Augustine A, scoring six of its 12 points from the free throw line, rallied for a 17-14 halftime edge by outgunning Christ A 12-4 in the second quarter.

In the third stanza, however, Jones and Rotondi combined for 10 points as the lead

seesawed back to Christ A, 26-24.

Division scoring leader Chris Bartley, Paul Davies and Mike Powers ignited a 7-2 St. Augustine A run in the final quarter, making it 31-28 as the last few seconds ticked away.

Doug Rotondi scored with 0:05 left to make it 31-30, and then C-C stole the ball in the backcourt but just missed scoring the

West B Nears Perfect Season

37

THE TOWNSMAN, FEBRUARY 19, 1981

By Rick Harrison

West Parish B moved within three victories of a perfect season, drilling West Parish C 59-7 last week, while South remained just a step behind with a 39-6 romp over St. Robert's D in Andover Church Basketball League Intermediate Blue Division play at the West Junior High, West Elementary and South School gyms.

Other games saw St. Robert's C trim Christ Church C 38-19, Ballardvale A dump St. Augustine E 30-18, St. Augustine F topple Christ Church B 22-13, and St. Robert's E handled Ballardvale United B 21-12.

West Parish B 59-7

Three players scored in double figures, and seven of the eight kids present contributed to the offense, as West B reaced past its inter-church rival at the West Elementary gym.

Matt Geiger tossed in nine points and Billy O'Brien added eight in the first quarter, as the winners grabbed a commanding lead and were never threatened thereafter.

Matt Geiger, who added 12 second half points, finished as game-high marksman with 21.

Kurt Burzlaff and O'Brien also hit twin digits with 11 and 10 points respectively, while Mark Geiger netted 6, Jeff Larsen 5, and lefty guard Mike Lane 4.

Dave Sullivan chipped in a fieldgoal and Robbie DiAdamo played a solid defensive game for West B, which competed without Andy Lee and Rob Thompson (flu).

Mike DiMeo turned in another excellent performance for West C, pocketing 7 points, while other hustlers were Sean Dyer, Kyle Marcella, Kurt Nickerson and John Hess.

South 39-6

South won its eighth straight and ninth in 10 starts this winter, bolting to a fat 18-0 first period lead and coasting from there to stay just a half-game behind West B (9-0).

Three players did all the damage for South, with division scoring leader Scott Wilkins pouring through 21 points, John Todt tossing in his 12 during the first half, and Robbie Hendry swishing 6 points.

Other standouts were Phil Stocking, Robbie Schmidt, Matt Lavin, Al Boucher and Dave Wade.

The three St. Robert's D buckets were notched by Tom Sheehan, Erik Green and Dennis Sampson.

Also playing well for St. Robert's were Jim Murphy, Matt Moynihan and Tracy Danner.

St. Robert's C 38-19

St. Robert's C (7-2) kept its outside shot at the Blue Division title alive, winning its fourth straight game and handing Christ C its second consecutive setback after eight victories.

St. Robert's C inched ahead 8-4 in the opening quarter, then broke the game open with a 9-0 second period run featuring baskets by Matt Gibson, Jeff Nazzaro, Gary Marotta and Cliff Marotta.

The rivals battled on pretty even terms in the second half, but Christ C was never able to mount a serious challenge.

Gibson and Gary Marotta shared game-

high scoring laurels with 12 points apiece, while Cliff Marotta pocketed 9, Greg DeVoir 3, and Nazzaro 2.

Other St. Robert's C notables were Steve DeVoir, Eddie Sheehan, Michelle Belisle, Greg Harris and Dave Dilling.

Bart Kalkstein, who flipped in all his points during the second half, led Christ C with 10.

Dave Pratt hooped 5 points, Bob Beanland 2, and Dave Lewis 2.

Adding strong efforts for C- were Jonathan Pratt, Andy Warren, Jim Robinson and Bob Wood.

Ballardvale A 30-18

Dave Rehe poured through a personal season-high 17 points, almost doubling his entire output for the first nine games, as Ballardvale A stopped St. Augustine E at the South School gym.

Rehe netted at least one bucket in each quarter for BU, which led 4-2 after one period, 9-4 at halftime and 17-12 after three stanzas.

Mike Hulsey delivered 7 points, Andy Meckel 4 and Andy McIntyre 2 in support of Rehe's excellent effort.

Other United stalwarts were Jim Ward and Ginny MacDonald.

Mark Russell stuffed 6 points for St. Augustine E, Steve Surette had 4, Brandon McCue 4, Dave Schwind 2 and Glen Fortin 2.

Andy Pauline, Bartley Parker and Jose Guerra contributed fine floor games for St. Augustine E.

St. Augustine F 22-13

Christ B inched ahead 7-6 in the first quarter of this game at South School, and maintained its one-point edge at halftime, but St. Augustine F went on a 16-6 second

St. Robert's Tops Senior Loop

St. Robert A, St. Augustine B and West Parish all posted victories in the Andover Church Basketball League Senior Division in last week's three-game slate at the East Junior High gym.

West Parish belted Ballardvale United, 39-8. St. Augustine B trimmed St. Robert B, 41-29, and St. Robert stopped South, 34-22.

West Parish, 39-8

West Parish, with their front line of Glenn Livermore, Jim Lowe and Chris Marcella intact for the first time since the second game of the season, had to much firepower for the youthful Ballardvale United team.

West Parish bolted to 8-2 first quarter lead, stretched it to 23-6 at halftime, and then outscored Ballardvale 16-2 in the last two quarters.

Nine players entered the scoring act for West which evened its record at 4-4.

Chris Marcella led the winner's offense with 9 points. Jim Lowe and Glenn Livermore hooped 8 each. Lisa Marcella 2, Kevin Page 2 and Vinnie Fichera 1.

Rod Hollenbeck paced the Ballardvale attack with 6 points and Tom Darling netted a single basket.

Striders To Meet

The Merrimack Valley Striders will hold its next general meeting Tuesday, Feb. 24, at 7:30 p.m. at Andover High School. Guest speaker will be Dr. Herbert C. Anderson of Medford. Dr. Anderson is a noted sports chiropractor and holistic natural health practitioner. He will discuss nutrition and applied kinesiology, which is the science of using muscles of the body to diagnose and treat physiological and structural imbalances.

The public is invited. Members are free.

Znamierowski, Cindy Connors, Scott Stephens, Greg Baker, Robert Spencer and Chris Burke were other notables for BL.

St. Augustine B, 41-29

Tim Reilly pumped in seven first quarter points to spark St. Augustine B to a 13-4 lead, and the winners traded buckets over the next three periods.

Reilly was the big gun for St. Augustine B with 12 points. Scott McNamara contributed 9, and he also controlled the back boards. David Argiropoulos added 8, Jeff Wolnik 5, Matt Aumais 2, Peter Zompa 2, Bob Scanlon 2 and Tom Brand 1.

Divisional scoring leader Tim Perry (127 points) was game-high for St. Robert B with 17 markers. Kevin Byrne chipped in 6, while single fieldgoals were netted by Chris Chinchillo, Joe Vecchi and Bill Foley.

St. Robert A, 34-22

St. Robert A behind 8-7 after one quarter outscored South over the next three quarters.

ters in registering their eighth straight victory.

It was 13-9 at halftime and 21-15 after three quarters with the winner's putting the game out of reach with a 13-7 run in the final stanza.

The defending champs were hard pressed throughout the contest by the rapidly improving South unit and the final margin of 12 points was not a thru indicator of the closeness of the game.

Once again St. Robert A featured a balanced offense with David Bates leading the way with 8 points, both Paul Finnegan and Chris Fay scored 7, Rob Veilleux added 6, John Veilleux 2, Ed Meha 2 and Dave Collins 2.

Gary Finlayson playing his best overall game of the year delivered 7 points for South. Jeff Penner popped in 6, Dylan Callahan 5, while solo baskets were scored by John Williams and Craig Sorrie.

Lakers Continue To Roll

The undefeated Lakers continued to roll, slamming the Kings 36-20 for their sixth straight victory, and Tim Perry's 32-point effort enabled the Hawks to stun the Bullets, 46-45, in Andover Youth Basketball League Senior Division action last week at the East Junior High gym.

Those two results clinched no worse than a regular-season title tie for the Lakers, who are three games ahead of the second place Bullets with just three left to play.

Hawks, 46-45

Division scoring leader Tim Perry (98 points) was virtually unstoppable, as he powered the third-place Hawks to their come-from-behind triumph over the Bullets.

The Bullets, with Tom Moon tossing through 10 points, bolted to a 16-12 first quarter lead.

Perry heated up in the second period, pocketing all nine of the Hawks' points, but the Bullets still managed to increase their advantage slightly to 26-21 by half-time.

Perry swished 10 third quarter points, while Greg McAnern and Harvey Eckoff added fieldgoals, as the winners offset seven points by Moon to pull into a 35-35 tie.

Perry then hooped nine fourth quarter points, Tom Novelline contributed a bucket, and the Hawks outscored the Bullets 11-10 in the final stanza to eke out the pulsating one-point victory.

Perry finished with 13 fieldgoals and 6-of-11 at the free throw line, while adding 4 points apiece were McAnern, Eckoff and Mike Coelho.

McLeod, 149 Shawsheen Road; Elizabeth A. Sweeney, 75 Bellevue Road; Julie A. Tisbert, 138 Greenwood Road; Pamela M. Traill, 497 South Main St.; Betty A. Wilson, 20 Colonial Drive and Gerlinde Wirth, 20 Brown St.

Tom Moon and Eugene Sullivan sparked the Bullets with 19 and 12 points respectively.

Terry Burke tossed through 6, Dean Lockwood 4, Jim Fearing 2 and Mike O'Connell 2 points.

Robby Pauline also played well for the Bullets.

Lakers, 36-20

The Lakers had little difficulty collecting their sixth straight win, constructing a

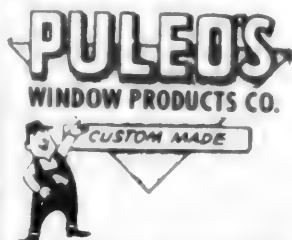

commanding 25-9 halftime lead before trading hoops with the Kings over the final two periods.

Alan Pelletier once again paced the

winning bucket at the buzzer.

Bartley (159 points) led St. Augustine A with 15. Powers added 7. Davies 4. Scott McAllister 3 and Tim Scanlon 2 points.

Beau Jones and Doug Rotondi finished with 10 points each for Christ A. Chris Scott hooped 4. Keith Dauber 2. Billy Earnshaw 2 and Mark Polakow 2.

Christ A managed a 14-11 edge in fieldgoals, but the winners converted 9-of-21 free throws to just 2-of-3 by C-C.

Temple Emanuel, 34-28

The tall Temple crew inched ahead 6-4 in the first quarter, and managed to stay just a step ahead of St. Augustine C the rest of the way in their shootout.

Temple led 18-15 at halftime and 26-21 after three periods.

Four players did all the offensive damage for the victors. Myles Greenberg and Adam Liberman pumped in 11 points apiece, while Mitch Levine and Paul Keller chipped in 6 each.

Contributing strong floor games for Temple were Eric Shenker, Missy Label and Michelle Karas.

Joe Hart emerged as game-high marksman for St. Augustine C, pouring through 17 points including 11 in a sizzling second quarter shooting display.

Steve McGettrick chipped in 6 points.

Lakers charge with a game-high 12 points.

Terry Flynn and Joe Thibodeau fired through 6 points each. Brian Sheehy and Chris Marcella 5 apiece, and Dave Caiti had a basket.

Lisa Marcella chipped in her usual solid floor game.

Marc Bolan was held to 7 points, five from the foul line, as the Kings' top scorer.

Sean Trombly pocketed 6 points. Brandon Bachner 2. Eddie Melia 2 and Jim Marocco 2.

Kevin Bardsley rounded out the Kings' effort with a free throw, while Matt Ostrowski turned in a sound performance as well.

John Morrow netted a pair of third period baskets, and Paul Zahornasky swished a free throw.

Frank Odum, Dave Guerrero, Billy Scanlon and Tom Fortin also played well for St. Augustine C.

Both teams now stand at 3-6.

St. Augustine D, 27-12

St. Augustine D moved back over the 500 mark (5-4), using big second and fourth quarter spurts to subdue St. Robert's A, 27-12.

Buckets by Dave McDonough and Dave Cox gave St. Robert's a 4-2 first period edge, but Walt Radulski and Ron Peck combined for seven second stanza points as St. Augustine D moved in front 13-6 at halftime.

Chris Poor and Peck notched third quar-

ter fieldgoals for the winners, who boosted their advantage to 17-9, and a balanced fourth period attack enabled St. Augustine D to win going away.

Chris Poor led-all marksmen with 9 points. Ron Peck swished 5. John Moosa 4. Walt Radulski 4. Scott Wallace 3 and Paul Sheedy 2.

Scott White and Dave McDonough pocketed 4 points apiece for St. Robert's, while Billy Dutton and Dave Cox contributed single fieldgoals.

Schedule

There was no action scheduled in the Gold Division this week, due to school vacation, but next Monday night the match-ups are Christ A vs. St. Robert's B. St. Augustine C vs. St. Augustine B, West Parish A vs. St. Augustine A, and St. Augustine D vs. Temple Emanuel.

half spree to pull out its sixth triumph.

Brendan Lynch emerged as game-high scorer with 10 points for the victors, eight of them in the pivotal third quarter, while Sean Derrah tossed in six of his eight points in the opening period.

Todd McAllister and Casey Pant hooped fourth quarter fieldgoals, while additional St. Augustine F standouts were Jason Scarpaci and Bob Finneran.

Lori Ahouse and Matt Corbett fired in 4 points, each for Christ B. Sandra Lyons added 2. Adam Smith 2, and Brad Wright swished a free throw.

Bardetti Volkswagen Showing 1981 "Stars"

Volkswagen does it again! The 1981 "Stars" in the Volkswagen line-up prove once again that you get a lot more with a Volkswagen. See them — drive them — at Bardetti Volkswagen, 915 So. Main Street (Rt. 125) Ward Hill.

More Mileage: Rabbit Diesel is still unsurpassed in fuel economy (40 est. mpg. and 52 est. mpg. highway). The 4-speed gasoline powered Rabbit gets 24 est. mpg. and 38 est. mpg. highway mileage. For those who prefer the wide open spaces, there's the Rabbit Convertible. With a 3-ply roof that helps keep out rain and cold, a rear window that's a real glass window, and a deluxe interior with lots of luxurious extras. Add to the Rabbit's economy, the roominess, exceptional visibility and riding comfort and it's easy to see why everybody is trying to copy it.

More Performance Plus: Scirocco is the one that proves sports cars don't have to be cramped, skimpy on luggage space, hard to see out of, rough to ride in, and prima donnas to service.

More Luxury: Dasher and Dasher Wagon give you more true luxury, timeless styling, advanced front wheel drive, roomy interiors and a host of standard features, plus elegant options.

More Styling & Trunk Space: Jetta gives you modern, elegant, sophisticated styling, plus a trunk like ones on larger cars. Inside Jetta, there's room for 4 people. Front bucket seats recline, headrests adjust and rear backrests are contoured.

More Pickup: the VW Pickup Truck is built like a truck, but drives something akin to a sports car. It's even available with a diesel engine.

More Versatility Than Ever: Vanagon gives you the best of a van plus the best of a wagon. Seat 7, or optional 9. Parks easily in sub-compact-size spaces.

More Recreation Fun: Vanagon Camper can be your house at the beach, your retreat in the mountains and your around-town car during the week.

Yes, you get a lot MORE with a Volkswagen. See them at Bardetti Volkswagen soon. Tel. 687-0696 or 374-0711.

BOSTON, MASSACHUSETTS 02110
PUBLIC NOTICE**

SEWER EXTENSION PERMIT APPLICATIONS

The Massachusetts Division of Water Pollution Control has received applications for permits for construction of sewer extensions or connections to the municipal systems listed below. Section 43 of Chapter 21 of the General Laws, as amended by Chapter 546 of the Acts of 1973, requires that public notice be given of every permit proceeding.

The applications are available for inspection and copying at the Division's offices at the above address. Persons desiring to comment upon or to object to the tentative determination of the Division or to request a Public Hearing thereon should submit their views in writing to the Division at the above address within 21 days of publication of this notice. All comments received within this 21-day period will be considered by the Division in formulating the final determination regarding these applications. A Public Hearing will be held only if the response to this notice indicates, in the opinion of the Director, that the public interest would be served thereby.

Following this 21-day comment period, a final determination to issue or deny the proposed permit will be made by the Director of the Division with respect to each permit application. Where the final determination remains substantially unchanged from the tentative determination indicated in this public notice, the Director will so inform the applicant, and any person who has filed written comments during this 21-day comment period, of his final determination and of the right of any party aggrieved by the final determination to request a formal adjudicatory hearing within 14 days of the final determination.

Where the final determination is substantially changed from the tentative determination in this public notice, the Director will publish a public notice of the final determination in addition to the written notice provided above. Persons other than the applicant who feel they may have a right to and may wish to request a formal adjudicatory hearing should file written comments during the 21-day public comment period in order to assure receipt of written notification of the final determination.

Within 14 days of the final permit determination, parties (as defined in sections 1, 10 and 10A of Chapter 30A of the General Laws) aggrieved by the determination may file a written request with the Director for an Adjudicatory Hearing under the provisions of Chapter 30A (the Massachusetts Administrative Procedure Act) and the Standard Adjudicatory Rules of Practice and Procedure (801 CM R 1.00).

REAL ESTATE — A GOOD INVESTMENT

All too often, ownership of a single family house is overlooked as a good financial investment but rather as a necessity. However, published data clearly indicates that real estate values are increasing at twice the rate of common stocks. From 1960 to 1976 the Dow Jones average went up 45 percent, while the average price of a single home increased 100 percent nationally during the same time period.

For every investor who makes a killing in the stock market, you'll find another who has been hurt badly. This rarely happens in real estate. It's a stable and safe investment which doesn't fluctuate from

day to day which is good for ulcer-prone investors. Then there's what we call leverage. Real estate can be purchased by using 10-20 percent down, whereas other investments require 50-100 percent cash.

The outlook is still rosy. Increasing land value, rising labor and material costs and the national housing shortage will have a continued upward affect on single home prices.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100. We're here to help.

committee supported that article, the last on the warrant. Clark said recently that the study is not yet complete.

And 1981 town meeting will be asked to consider funding over-sized boilers at the Doherty school at a cost of \$100,000, to be part of a new bond issue. The boilers would be large enough to heat the two EJH wings, if they are ever reused. If the over-sized boilers are not built, two additional boilers would have to be built in the future, at "roughly twice" the cost, according to the project architect.

Selectmen Chairman James Abramson gave the boilers a low priority during a recent budget discussion among the selectmen. "I'm totally opposed to it," the chairman said. "It's crazy to spend \$100,000 on something when we have no idea whether we will ever use (the wings) or not."

Building committee member Virginia Cole expressed a similar opinion during a building committee discussion on the boilers last month. Speaking as a citizen, she said, "I wouldn't vote for heat in a building if I didn't know if we were going to use it or not."

But some town officials are more confident that East Junior High will be reused some day, in some way. "They'll never tear that building down," Selectman Norma Gammon told Abramson, and colleague Jerry Silverman voiced his agreement.

East Junior High will remain in use as a junior high school until September, 1983, when the new Doherty Junior High is

scheduled to open its doors. At that time, responsibility for the east and west wings at EJH will be passed back from the schools to the town.

Does East Junior High have a future? "That is a choice," Kenneth Gropper has pointed out. "That town meeting will have to make."

Air Force Specialist

Airman Michael J. Polizzotti, son of Alice M. Polizzotti of 340 Waverly Road, North Andover, has graduated from the U.S. Air Force aircraft maintenance specialist course at Chanute Air Force Base, Ill.

Graduates of the course were trained in aircraft engine maintenance, repair and service, and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Polizzotti will now serve at RAF Upper Heyford, England.

In Program

Thomas Allen, son of Mr. and Mrs. Richard Allen of Andover, recently studied 'Methods and Processes of Photoduplication' during Eisenhower

College's January Interim Study Term (JIST). Allen's studies were undertaken at The New England Document Conservation

Center where his work involved examples of different methods of photoduplication and their processes of production.

Langevin In Parade

Marine Pfc. Edward J. Langevin, Jr., son of Edward Langevin and Janet Delite, both of 173 Pleasant St., North Andover, recently participated in the Presidential Inaugural Parade.

He is stationed at the Marine Barracks, 8th and 1st Street, located in Washington, D.C. The Marines from the 8th and I made up a portion of the Marine battalion which marched in the parade to honor President Reagan.

Each year his company participates in parades and honor ceremonies for the President and visiting foreign dignitaries.

Langevin joined the Marine Corps in June 1980.
